YOUR VOICE.

Virginia law now requires all voters
to show acceptable photo ID at the polls.

VIRGINIA LAW NOW REQUIRES YOU TO PRESENT AN ACCEPTABLE PHOTO ID AT THE POLLS.

1. What's an acceptable photo ID?

Acceptable forms of photo ID include Virginia DMV-issued photo IDs and driver's licenses; U.S. Passports; employer-issued photo IDs; student photo IDs from a school, college or university located in Virginia; photo ID cards issued by the United States, the Commonwealth of Virginia, or a local Virginia government; and Virginia Voter Photo ID cards. All of the acceptable forms of photo ID can be used for voting up to a year after the ID has expired.

2. What if I don't have an acceptable photo ID?

We've got you covered! You can apply for a FREE Virginia Voter Photo ID card from any local Virginia voter registration office throughout the year, even on Election Day. Once you complete and sign the application, your Virginia Voter Photo ID card will be mailed to your address on file in the Voter Registration System, which takes approximately two to four weeks. You may be eligible to receive a Temporary Identification Document to use in the election while your permanent ID card is processed through the mail.

3. What if I show up to vote on Election Day without my photo ID?

Don't worry! You can still vote a provisional ballot in your precinct. If you vote a provisional ballot, you will have until noon on the Friday following the election to either drop-off, mail, email or fax a copy of your acceptable photo ID or you can apply for a FREE Voter Photo Identification card in your voter registration office. You will immediately receive a Temporary Identification Document that can be submitted to have your ballot counted.

4. What if I have questions?

Simply contact or visit your nearest voter registration office or the Virginia Department of Elections at www.elections.virginia.gov, call (800) 552-9745, or TTY 711 for more information on acceptable photo IDs or how to obtain a FREE Virginia Voter Photo ID card.
